

Virtual Big Camp

12pm Sat 23rd May – 10am Sun 23rd May

So we all know due to the current crisis, Big Camp was been rescheduled to 2021, but the great news is on the original weekend of BIG Camp 2020, West Yorkshire Scouts will be holding a Virtual BIG Camp. This is a camp organised and run by County but we think it'll be great for our Beavers, Cubs and Scouts to get involved with an event which runs across West Yorkshire. The group have pulled this document together, as we felt it was easier having all the information in one place. This is all available via <https://www.wyscouts.org.uk/vbc> if you want to go get it separately.

Over the weekend on their website there will be BIG Camp activity zones, with challenges or activities to do at home.

In addition they'll be running 'Live on Stage' a series of pre-recorded and live content hosted by the Youth Commissioner Team (with a number of very special guests). This will be streamed live on the website and Facebook page starting at 12pm and will the last one will finish 10am on the Sunday. There will be breaks of different lengths to allow the young people to go do the tasks and the presenters to have a break. The schedule of events will be published by county later this week, and we'll share that vis the Facebook group.

On the Saturday evening we're all invited to take part in the camp and campfire with members across West Yorkshire camping out in gardens (or living rooms).

They will be issuing a badge for every member who successfully completes a number of the challenges on the website, the section leaders have also agreed that by taking part in the event they will achieve 1 nights away level.

One final note, this is the first time County have done something like this, there could be technical issues and if they occur just bear with them and we're sure they'll be sorted quickly

Do I need to do anything in advance ?

Most of the activities you will be able to do from materials sourced at home, but just incase, a kit list has been included below so you can go get anything you don't have. I know this seems obvious but a way to watch the content is also necessary, make sure it's charged or you have a way to charge whilst watching.

What's happening when over the weekend?

On Saturday Morning go to www.thebigcamp.org.uk (it's not live till Saturday) to check out the challenges and activities.

Registering for the event

There will be a google form to register, you'll then get a personal link to upload your photos and completed challenges. You **MUST** upload outputs from the challenges to the google form to be eligible for the **Virtual Big Camp Badge**, so it would be helpful if you had a gmail account (or had registered your email to use on google beforehand). Instructions on how to do this can be found [here](#). If you do not do this, you will not get a badge.

Virtual BIG CAMP KIT LIST

This list applies to joining in with the 'Live on Stage' element of Virtual BIG Camp

Kit list for Beaver & Cub Session

You will be asked to make a sandwich as part of the party so have available some sandwich making stuff – bread, spread, decorations and filling of your choice ready to make
